MS. SENIOR MICHIGAN, INC. PAGEANT JUDGING GUIDELINES

Interview – 30%

One of the most important aspects of the Pageant is for all judges to meet each contestant individually. It is during this five minute personal interview that the judges have an opportunity to select a woman whose community spirit, involvement, charm, personality and conversational ability meet the ideals of a Ms. Senior Michigan. No timing limitation.

Talent – 30%

The talent presentation is an integral part of the pageant. It is designed to encourage exhibits of music, art, hobby interest, or homemaking and to demonstrate that expertise, interest and involvement in such activities do not diminish with age. Time limit of 2 minutes 45 seconds.

Philosophy of Life – 20%

The Ms. Senior Michigan Pageant recognizes that beauty is a matter of insight as well as eyesight. Each contestant is given the opportunity to present a statement which conveys her "Philosophy of Life". Time limit of 35 seconds.

Poise – 20%

It is the philosophy of the Pageant that clothes do not make the woman, but rather it is the woman who makes the clothes. During this event, the judges will seek the contestant whose manner, composure and grace display a genuine beauty. No timing limitation.

"Timing is critical. If the time allotted for a judging category above is exceeded, that category is excluded from the total score."
